Pick & Place

- » • Wouldn't it be nice to have a partner who focuses on exactly what you need? With Lohmann, your wish comes true. Nowhere is our commitment more apparent than when manufacturing your adhesive tape.
- Each stage of the value-added process can remain totally under your control. For example, should we only convert or die-cut? No problem, you can rely on our flexibility. And on our clean-room production facilities, micrometer-precise die-cutting technology and uncompromising testing and inspection procedures.

# Lohmann adhesive bonding solutions: At home in all crafts.

WE MAKE YOUR WORLD A BETTER PLACE!

With excellent pressure-sensitive adhesive solutions  
for all crafts of the building industry.

## Smart Bonding Approach – the route to your tailor-made adhesive solution.

- » Lohmann's Bonding Engineers stay by your side as competent partners from the moment the first concept is born. Individual adhesive concepts, a convincing product portfolio, efficient process integration and sustainable optimization safeguard your success.

At Lohmann, we call this philosophy the Smart Bonding Approach. You can call it the perfect route to a tailor-made adhesive solution.
