

Flooring Material Bonding

Interior.

Customer benefits:

- No hardening times – immediate load-bearing capacity
- Strong bonding for flexible flooring materials
- Can be removed without leaving residue
- Impact noise reduction possible
- High safety in application – no unspecified bulk application unlike when using liquid adhesives

Products:

- DuploCOLL® 330
- DuploCOLL® 43102
- DuploCOLL® 44001
- DuploCOLL® 44004
